Bill 25-22-F. Funding for textbook voucher assistance for WKU Students.

PURPOSE: For the Student Government Association of Western Kentucky University to allocate \$750.00 from the Legislative Discretionary budget for need-based vouchers for students to receive financial assistance with textbook costs.

WHEREAS: Access to affordable course materials can be unavailable to many students, and

WHEREAS: The \$750.00 will be allocated towards 15 \$50.00 textbook vouchers in which students apply for the textbook fee assistance voucher and will be chosen by a committee, and

WHEREAS: Creating this program will not only provide financial relief to selected students but will also incentivize students to buy their textbooks through the WKU Bookstore and/or participate in the Big Red Backpack program.

WHEREAS: Forming this partnership with the bookstore is a great way to show SGA's continued support of WKU businesses and programs and a way to indicate our concern for student's financial well-being.

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University will allocate \$750.00 for the need-based textbook fee assistance voucher program.
