## FINANCIAL TIPS

For the first financial advice resource on campus, we bring to you WKU's [Center for Financial Success \(CFS\)](#). Located in Grise Hall Suite 300, the Center for Financial Success provides student loan, budgeting, and credit resources. The center also provides a personalized coaching process that consists of three main steps. First, complete the client intake form located on their website. Second, attend the initial meeting in which an action plan is created for you. Lastly, keep attending the progress check-ins. In these check-ins, the action plan is adjusted based on the success you are seeing. CFS also provides extended free trials to YNAB - a great budget tracking tool.

Contact Information for CFS:

Phone Number: (270) 883-1910

Email: [financialsuccess@wku.edu](mailto:financialsuccess@wku.edu)

Bowling Green Spotlights:

1. [Apex Financial Planning](#) provides various calculators, such as savings, IRA and Roth IRA, and risk management calculators.
2. [Goodman Wealth Management](#) provides various blog posts and links to research with weekly updates on the financial state of the nation.
