**Bill 18-26-S. Funding for the Creation of Lab Goggle Vouchers in Partnership with the WKU Chemistry Club**

- PURPOSE:** For the Student Government Association of Western Kentucky University to allocate \$100.00 for the creation of Lab Goggle Vouchers (5) in partnership with the WKU Chemistry Club.
- WHEREAS:** The money will come from the Legislative Discretion Budget, and
- WHEREAS:** There are 22 Sections of Chem 121 (Intro to Chem) Lab throughout the year, many of which have 24 students each, and
- WHEREAS:** Each student in this lab and every following lab are required to purchase lab goggles in addition to their student bill, and
- WHEREAS:** The WKU Chemistry Club provides goggles to students at a cost of \$20, and
- WHEREAS:** Some students do not have the financial ability to spend \$20 outside of their already large bill. Goggles required for a class should not be inaccessible to students, so the creation of this voucher program would benefit many students, and
- WHEREAS:** Most students in Ogden College are not involved in any student organizations outside of their chosen career path, and the creation of this program could lead to more students interested in the SGA, and
- THEREFORE:** Be it resolved that the Student Government Association of Western Kentucky University will allocate \$100.
- AUTHORS:** Ethan Vietze, Ogden College Senator
- SPONSORS:** Enrollment and Student Experience Committee
- CONTACTS:** Dr. Brown (Dean of Ogden College), [david.brown@wku.edu](mailto:david.brown@wku.edu)
