Second Reading:

Bill 3-20-S. To allocate the special projects fund of \$5,000 to Facilities Management to start the hammock initiative on campus, and

PURPOSE: This bill is to approve the allocation of funds \$5,000 for the special project initiative to facilities management, and

WHEREAS: The funding for this will come from the special projects section under the SGA budget, and

WHEREAS: This bill is to construct hammock areas across campus to promote outdoor recreation, study areas, and provide more outdoor spaces for students to come together, and

WHEREAS: The money used for this project will be encumbered by facilities management and what is not used will be returned to SGA the following budget year (2020-2021), and

WHEREAS: This would be great opportunity to provide areas closer to residence halls for students to hammock and congregate, and

THEREFORE: The special projects fund of \$5,000 should be allocated to facilities management to begin constructing hammock areas on campus.
