Bill 9-22-S. Funding for vouchers for free teeth cleanings for WKU Students through the WKU Dental Hygiene Program.

PURPOSE: For the Student Government Association of Western Kentucky University to allocate \$500 from the Legislative Discretionary budget for the WKU Dental Hygiene program for a voucher system for students to receive free teeth cleanings.

WHEREAS: Access to adequate dental care can be unaffordable to many students and a barrier to seeking care is often costly, and

WHEREAS: The \$500 will cover 20 teeth cleanings to start and help incentivize students to support our WKU Dental Hygiene students as they must have so many patients to pursue their studies, and

WHEREAS: Forming this partnership with the WKU Dental Hygiene program is a great way to boost our on-campus presence and support for students, and

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University will allocate \$500 for the start of a voucher program for free teeth cleanings for WKU students.
