“The clothes closet and donor(s) were a lifesaver! I didn’t have the funds to get a suit I needed for an event but they were there to help me out and I was able to get my name and resume out to firms for employment opportunities.” – Anonymous Student

*“The Clothes closet is a wonderful concept that is greatly appreciated for students! I was able to find a great suit that I needed and a nice dress shirt! I really appreciate the efforts GFCB goes to, to help push students to be their very best self!” –Anonymous Student*

“I went to the clothes closet where you were able to pick out an entire business outfit out of clothes that were donated to WKU for this event. I got a fancy red blazer! This event is really good to have at WKU because you really never know what someone is going through, and the key to getting a good job, is dressing for the job. I'm ready to wear my hilltopper red blazer to my next interview for a FULL TIME JOB!! I loved going to this event and would love to go to more events in the future.” – Anonymous Student

“I attended the Clothes Closet for the first time this semester. I was surprised by the variety of styles and sizes— almost every student could find something that could work for them! It gives students the opportunity to see examples of clothes that are considered business professional, as well as the option to keep the clothing for times when they might need something more aligned to the company they are visiting, interviewing with, or working for. Personally, I took home a blazer to wear to work on days where I have meetings that require me to dress a step-up from business casual. I will also be looking for a new job soon and could use all the business clothes I can get before heading into the workforce full-time!” – Anonymous Student
