

# WELCOME SOCIAL WORK STUDENTS!

Here's how the WKU Libraries can help you:

- 1) Check out our online Social Work research guide: <http://libguides.wku.edu/socialwork>. You'll find online databases, journals, eBooks, and video tutorials to help you get started. There's more to research than Google!
- 2) Get to know a librarian: We are on every campus, and will meet with you one-on-one for any research assistance you need.
- 3) Use our resources: we have citation and writing guides just for Social Work, online databases, DVDs, eBooks, and good old-fashioned print books. We can also get you materials from any other library in the country... FREE!
