Seminars & Outreach
Fall 2020

Introduction to External Grants

Wednesday, September 23, 2020
2:00 – 3:00 p.m. (Zoom link will be provided upon registration)

This session is designed as an overview for faculty and staff who haven't submitted a proposal for external funds. Topics addressed include WKU grants policies and procedures, funding sources, working with federal agencies or private foundations, planning and developing a proposal strategy, typical proposal pieces, writing a proposal narrative, and award notification.

Introduction to Funding Searches

Tuesday, September 29, 2020
2:00 – 3:00 p.m. (Zoom link to be provided upon registration)

This session will explore several funding search resources available to WKU faculty, staff, and students. During this interactive seminar, participants will navigate PIVOT, the Grants Resource Center, & Grants.gov to search for available funding opportunities and/or potential collaborators.

On Demand Training

The Office of Sponsored Programs has several [on demand training resources](#) that you can review at your convenience. Check out our newly developed "Training Briefs" that provide short snippets packed with information! These briefs and other important outreach notices will also be delivered via Twitter. Follow us today at [@WKUResearch](#).

OSP staff is always available for individuals, departments, colleges, and small groups to search for funding opportunities, subscribe to automated alert services, and learn more about grant administration at WKU. For more information:
