2012 Border Brawl Recap

WKU and MTSU fought for control of the border at the fifth annual Border Brawl this past weekend. The first event of the weekend was fencing. There were two fencing matches, and WKU won both with a total ending score of 9 WKU to 5 MTSU. The next event of the weekend was women's soccer. It was a tough game for both teams because at the end of the game the score was tied 0 to 0. Even in overtime the two teams could not score on each other, which resulted in penalty kicks. WKU's women's soccer made 3 of the 5 kicks and MTSU made 4 of the 5. The last event of the day was tennis. WKU won this event with the ending score of 5 WKU to 3 MTSU. On Sunday, the competition continued with volleyball. The WKU men's and women's volleyball club teams played great, resulting in two more victories over MTSU. These wins gave WKU the power to control the border once again and the title of Border Brawl Champions 2012.

Men's Lacrosse: Making A Come Back

This year's Men's Lacrosse Club President is Trevor Skiera. There are currently nineteen members, with no graduating seniors. Trevor stated that their goals for the year is to win their first event, raise enough funds to get new equipment and uniforms, and make the club as successful as possible. Thus far the Men's Lacrosse Club has played EKU. In April they are planning to have two home events. The first one is a Round Robin with Marshall University and Belmont. The second event is a game against SIUC.

Trevor says, “The year has been very good. We have had a lot of participation with several members. The club has decreased in size towards the end of the year because a good portion of our club is involved in Greek life.”

The future goals of Men's Lacrosse Club are to consist of 25 members or plus participating throughout the year. They plan to be involved in the NICKEL Conference or MCLC, Men's College Lacrosse Clubs, so that they can be contenders for Nationals.

Trevor stated that they are always looking for new recruits, no experience required. Their club fees are a lot lower than many other Western Kentucky Clubs. He says, “For us it is all about learning the sport and having fun! Our club has become a brotherhood like a Fraternity because we are all so close and have such a great time.”

Men's Lacrosse Club practices at the Hattie L. Preston Intramural Sports Complex Monday through Thursdays from 6:30 to 8:00 PM. If you are interested and have any questions, you may contact Treveor at trevor.skiera996@topper.wku.edu.
