

University Wide

Organizational and Program Information

University-Wide reflects a conglomerate of expenditure accounts that primarily support WKU's Strategic Plan in its entirety rather than any individual vice-presidential area.

University-Wide includes funding for the following:

- Debt service obligations on Educational and General buildings.
- Merit and need-based institutional financial assistance.
- General institutional expenses including leases, insurance, and contracts for legal and accounting services.
- Contingencies (institutional, instructional and staff benefits) to fund planned campus-wide programs (e.g., faculty/staff and dependent child tuition waivers) and activities and nonrecurring expenditure needs that occur throughout the year.
- State mandated (legislative) tuition waivers and scholarships.
- Future funding commitments from carry forward funds.
- Strategic Investment Fund.
