Downing Student Union

1-2 pm – Sessions A (2085) and B (2086)

2:15-4:30

Faculty/Staff workshop with Mitchell Thomashow -

The Nine Elements of a Sustainable Campus: Moving Your Campus Forward

Participants will discuss the current state of sustainability initiatives on their

campus, assessing their achievements and challenges. In so doing, they will consider how to best facilitate change, how to take advantage of social networks, and how to better understand campus power relationships. These factors will be incorporated into the strategic approach of "the nine elements" so participants have a better understanding of how to maximize their influence on campus. – DSU Room 2085

-or-

Student Summit at the WKU Office of Sustainability

Hosted by the WKU Project Grow Fellows and sponsored by WKU Student Government Association
