ABOUT THE DANCE PROGRAM

Department of Theatre & Dance Mission Statement:

The mission of the Department of Theatre & Dance is to develop in students the ability to synthesize knowledge and creativity in performance and production, as well as skills in problem solving, group dynamics and leadership; all intended to make our graduates viable in the professional fields of theatre and dance and/or other vocational endeavors.

Dance Program Mission Statement:

The Dance Program of Western Kentucky University provides an environment conducive to comprehensive training in performance, choreography, and dance pedagogy within the framework of a liberal arts education at the Bachelor of Arts level. By integrating dance and general studies, we strive to create "Thinking Artists," individuals who work to achieve their highest potential as artist, technicians, and scholars.

The Dance Program is based upon the central premise that education is paramount in preparing artists to engage in the global society in which we live. By developing creative artists and nurturing the art of dance in higher education, the Dance Program produces individuals that may be empowered to enrich and further the arts in our society in relevant, diverse, and meaningful ways. It is our goal to provide students with opportunities challenging each dance major to realize the full potential of his or her dance talents while being adequately prepared to meet the rigorous standards within the dance field and society. In addition, the Dance Program seeks to engage and educate the broader community about dance and its role in the human experience through public performance, outreach programs, and general education classes.

As a dance community, we commit ourselves to the following objectives:

- *To provide a challenging and diverse dance curriculum for our degree-seeking students and those who major in other disciplines.*
- *To provide opportunities that challenge each dance student to realize the full potential of his/her dance talents.*
- *To adequately prepare students to meet the rigorous standards within the dance field and society.*
- *To instill within students an appreciation for the value and significance of dance as a profession and within society.*
- *To nourish a high-quality academic environment.*
- *To support the creative and scholarly research of the dance faculty, especially in ways that enhance teaching and promote diversity of perspective, style, and methodology.*
- *To advocate excellence in dance education with awareness to cultural diversity and inclusion.*
- *To serve the community of southwest Kentucky through high-quality public performances and outreach programs.*
- *To promote and celebrate our national presence in the field of dance.*

WHAT DANCE MAJORS/MINORS SHOULD EXPECT FALL 2020

The following information is subject to change. Please visit the WKU Department of Theatre & Dance and WKU websites for up-to-date information.

<https://www.wku.edu/theatre-and-dance/>
<https://www.wku.edu/healthyonthehill/>

Your health and safety are paramount to the WKU Dance Program and the Department of Theatre & Dance. Please rest assured that this fall we will be following the WKU Big Red Restart and CDC guidelines and requirements in our class delivery and general traffic-flow procedures within buildings. We have carefully planned a course of action that allows us to continue to provide a high level of dance education and technique instruction in a socially distanced and safe method. As a result, you can expect the Dance Program to function a little bit differently this semester.

COVID-19 is a highly contagious virus that has transformed the way we live, work, and interact. As we return to the dance space, we must all commit to the serious nature of this pandemic and be vigilant and respectful in our behaviors and habits. The dance faculty is committed to providing a safe environment for classes in our facilities, and we expect dance majors and minors to follow behaviors that will sustain their health and safety. Wearing masks, maintaining social distancing, washing hands frequently, completing daily screenings, and testing when necessary are healthy behaviors that all must adhere to both in and outside the classroom. It is essential that we all commit to these practices – 24/7. As faculty, we pledge our efforts to keep our dancers as safe as possible and ask for a similar pledge in return from the very students that we are here to serve. As you prepare to return to the classroom, please review the following:

Masks

- Out of respect for the health and safety of the WKU community and in adherence with the [CDC guidelines](#), the University requires that a cloth face covering (reusable or disposable) that covers both the nose and mouth must be worn at all times when in public areas within all buildings. Students must properly wear face coverings while in class regardless of the room size or the nature of the classroom activities. Students who fail to wear a face covering as required will be in violation of the WKU Student Code of Conduct and will be asked to comply or will face disciplinary action, including possible dismissal from the University. Accommodations to face coverings must be determined by the Student Accessibility Resource Center and documented before a student may attend class.
- Masks must be worn throughout all dance technique courses.
- A mask may make it harder to breathe during class, and students will need to self-monitor for symptoms of lightheadedness, dizziness, numbness or tingling, and shortness of breath. Students should notify the instructor if they experience any of these symptoms.

Each instructor will address with their class the procedure for dancing in masks and how to cope with adverse symptoms.

- Dance students should plan for the need for multiple masks throughout the day as a wet mask is less efficient at filtering bacteria and viruses. Students should bring separate Ziploc bags to store both clean and used masks.

Social Distancing

- Dance technique classes have been relocated or modified to allow for social distancing. Dance technique classes may occur in Gordon Wilson Dance Studio A or B, Russell Miller Theatre, or Preston Center Gym.
- GW Dance Studios have been visibly marked to designate social distancing parameters. Instructors will provide guidance and expectations for social distancing within each class.
- Regardless of the class location, dance students will be expected to remain spatially aware while dancing.
- Students are not allowed to congregate in the hallways, greenroom, or second-floor landing of Gordon Wilson as they normally would.
- Students should not linger after class to practice or chat with peers. Please refrain from remaining after class to speak to the instructor. That time will be needed to disinfect the classroom and allow for a socially distanced transition of the next class. Faculty will be available for scheduled appointments should a student have questions or issues.

Dressing Rooms

- Students should arrive dressed for class.
- The GW ladies' dressing room will be closed for the fall semester unless you are specifically assigned to store your belongings in the dressing room during a given technique class.
- For classes that meet in
 - GW 200 A/B - Students will store their bags/belongings in either the dressing rooms, hallway, or second floor lobby as assigned by the instructor.
 - Russell Miller Theatre - Students are to store bags/belongings in the house seating following appropriate social distancing.
 - Preston Gym - Students are to store their bags/belongings along the perimeter of the gym floor as directed by the instructor.
- *Do not bring valuables with you to class as the Dance Program is not responsible for lost or stolen items.*

Preston Center

- Jazz I, II, III, Modern II, and Dance Improvisation will meet on a specified court in the Preston Center gym.
- A face mask and university student ID are required upon entry into the Preston Center.
- Students should allow ample time to enter the building as they will be screened upon entry.
- Students must walk the perimeter of the gym floor to approach the appropriate court/classroom space rather than cutting across the entire gym floor.
- Street shoes must be worn throughout Preston Center except when on the specified court for the dance class.
- Dancers are not to use the showers in Preston Center and may not rent lockers to store their belongings. Bags/belongings will be stored alongside the actual dance space.

Cleaning/Disinfecting

- Hand sanitizer and Clorox wipes will be available in the dance studios/classrooms.
- Students must sanitize their hands prior to entry into and upon leaving each classroom.
- Ballet barres will be disinfected after each ballet class; all appropriate surfaces will be disinfected after each dance class.
- If preferred, students may wear socks during modern class and socks/shoes during jazz warm-ups.
- Dance floors will be disinfected daily.

Performances

We are planning for a variety of alternate performance opportunities for Dance Company. While we are still working out the details, students can anticipate an audition process and regularly scheduled rehearsals wherein company members will be in the studios learning new choreography and repertoire, enhancing learning skills, and developing artistic sensibilities. We plan to virtually present this mix of work-in-progress and completed choreography in a responsibly and socially distanced format from the Van Meter stage. Other potential projects and opportunities are also being discussed by faculty.

Studio Use

Studio use will be limited to faculty and students of DANC 420: Choreography II. Choreography students may only use GW 200A/B between 8 am-4 pm Monday-Friday with faculty permission. They must sign out the studio space and properly disinfect the space prior to leaving.

What to Do If You Think You Are Sick

The dance faculty is committed to daily self-screening; students should also practice daily self-screening. Please do not come to class if you have a temperature above 100.3 degrees F, cough, shortness of breath, muscle aches or chills, sore throat, diarrhea/vomiting, loss of taste or smell, or have been in close contact with someone who has contracted COVID-19. Contact your instructor and arrange to see a doctor immediately or call the WKU COVID-19 Hotline at 270-745-2019 for additional guidance. Appropriate documentation is necessary upon re-entry into the dance studio. *For further guidance, visit <https://www.wku.edu/healthyonthehill/healthandsafety/symptoms-and-health-checks.php>. Please see the attendance policy for further information about missing dance class due to COVID-19.*

COVID Attendance Policy

**Policy is subject to change.*

Courses within the Dance Program follow a shared attendance policy. Given the challenges that COVID-19 may present throughout the fall 2020 semester, instructors will consider increased absences due to the virus on an individual basis. Students should plan for the possibility that they may need to use their allowed absences for actual illness or emergency and not miss class for inconsequential reasons.

- In the event a student is unable to participate in a class meeting (either in person or virtually), they should immediately inform the instructor of the reason for the absence and the plan for return to the class. The instructor and student will decide an appropriate course of action in order for the student to continue to receive course credit. Options could include participating synchronously via Zoom, submitting alternate assignments independently, returning to the classroom on a specific date, etc.
- If you have been exposed to someone who has the virus and you are showing any symptoms, then you should refrain from attending class and be tested immediately. Contact your instructor/s and make the necessary arrangement for any missed classes.
- If your absence is due to diagnosis of COVID-19, proof of your negative test and/or permission by a doctor to return to physical activity is necessary upon re-entry into the dance technique classroom.
- We encourage any students showing signs of the virus to seek immediate testing, which is being made available free to students on the WKU campus.

Finally, please note that your grade or standing in the Dance Program will not suffer as a result of virus-related absences. This is an unprecedented time and the health and safety of our students is our primary concern.

***Traditional Attendance Policy as stated in the WKU Dance Program Handbook
Technique Courses***

All dance technique courses follow a shared attendance policy. Students are expected to attend and participate in every class in which they are enrolled. Only two absences are allowed. There will be no distinction made between excused and unexcused. Each additional absence will lower the student's final grade by one letter grade; however, faculty may choose to waive unavoidable absence due to serious illness, other WKU course conflicts, and participation in professional auditions/interviews with the appropriate documentation. Arriving to class late three times will equal one absence. If a student is recovering from an injury or illness and is not able to fully participate in a technique class, the student should attend and observe the class. The student must inform the instructor before the class begins. More than two observations, unless a doctor's note is provided, will equal one absence. If a student is unable to participate in the class for more than a two-week period, he/she will be advised to drop the course. Sitting out should be a last resort only. Adapted participation is encouraged when possible. If a student does not participate in technique class, he/she will not be allowed to participate in remaining technique classes or rehearsals for that day.

PROGRAM INFORMATION AND GUIDELINES

Course Registration

Students must request course passes for all dance technique courses (level 1 and higher) and the following dance theory courses: Dance Improvisation, Choreography I, Choreography II, Dance History, Dance Anatomy and Kinesiology, and Dance Pedagogy. This is intended to assure placement at the appropriate level and to prioritize access to classes according to major and need. Students may only attend classes for which they are registered. Participation in the WKU Dance Company requires enrollment in DANC 300: Dance Company.

Auditing Dance Technique Courses

Any student seeking to audit a dance technique course must have a conversation with the appropriate professor and receive approval from the professor prior to registering. When auditing a dance course, students must adhere to the dress code and maintain proper class etiquette. Attendance in audited courses is *not* optional. Should a student miss more than four classes, he or she will be dropped from the course.

Technique Courses and Level Placement

Dance majors are encouraged to take a minimum of one ballet course and one additional technique course per semester. This recommendation is to ensure that dance majors are properly training and conditioning their bodies to develop skills for a professional career. Technique classes in ballet, jazz, modern, and tap dance are offered Monday through Friday. Class lengths range from 55 minutes to 105 minutes and are offered a minimum of twice a week. Class length and frequency is determined by university schedule availability and the individual demands of the course itself.

Dance faculty assess student technique levels each semester to ensure correct level placement and progression through the degree program. Criteria for each technique level is posted on the bulletin board outside of Dance Studio A and can be found within this handbook. Dance faculty determine level placement and advancement, which is discussed with the student during midterms or academic advising. Please note, a level change may be necessary to facilitate recovery following an injury. Dance majors must achieve a level 4 in a selected dance genre and a level 3 in a second genre in order to graduate with the B.A. in Dance.

Attendance

Dance Program Meetings and Departmental Convocation

Dance majors and minors are required to attend all Dance Program meetings scheduled throughout the year as well as the Department of Theatre & Dance Convocation held during the first week of the fall semester.

Master Classes and Auditions

Dance majors are expected to attend all master classes and programmatic and professional auditions offered throughout the academic year. These include auditions for the WKU Dance Company, *The Dance Project*, professional summer programs, and Gotta Dance Fridays. These auditions and master classes provide students with a broader perspective of dance and further prepare students for success within the profession.

Technique Courses

All dance technique courses follow a shared attendance policy. Students are expected to attend and participate in every class in which they are enrolled. Only two absences are allowed. There will be no distinction made between excused and unexcused. **Each additional absence will lower the student's final grade by one letter grade;** however, faculty may choose to waive unavoidable absence due to serious illness, other WKU course conflicts, and participation in professional auditions/interviews with the appropriate documentation. Arriving to class late three times will equal one absence.

If a student is recovering from an injury or illness and is not able to fully participate in a technique class, the student should attend and observe the class. The student must inform the instructor before the class begins. More than two observations, unless a doctor's note is provided, will equal one absence. If a student is unable to participate in the class for more than a two-week period, he/she will be advised to drop the course. Sitting out should be a last resort only. Adapted participation is encouraged when possible.

If a student does not participate in technique class, he/she will not be allowed to participate in remaining technique classes or rehearsals for that day.

Dress Code

Students are expected to adhere to the Dance Program dress code for all movement-based classes, rehearsals, auditions, and showcases. Students should maintain a professional appearance within the classroom and be "audition ready." Baggy clothes are not allowed, although warm-ups may be worn with faculty approval and as temperature dictates. Cut-off tights are not allowed. Students should check individual course syllabi for any additional stipulations on dance attire. We fully encourage students to follow the dress code examples listed that most closely fit their comfort and identity.

Ladies are required to wear leotard and tights (flesh or black, see individual syllabus) with proper dance shoes as dictated by the class/genre. Ballet skirts may be worn in ballet if approved by the instructor. Hair should be pulled up and neatly secured off the face and neck. Makeup should be worn. No jewelry, besides small earrings, is allowed.

Men are required to wear solid color, form fitting tank tops/t-shirts and tights/jazz pants/fitted athletic pants with proper dance shoes as dictated by the class/genre. Long hair should be secured off the face and neck.

Facilities and Equipment

Studio Use

- **Dance studios may be reserved by students currently enrolled in WKU dance classes for class practice or student choreography rehearsals only.** Students may reserve a studio by signing the studio calendar located on the Dance Company Callboard. Students may not sign out a studio during Dance Company rehearsal hours (Monday-Thursday 4:00-7:30 pm and Friday 4:00-5:45 pm) without dance faculty approval.
- Studio hours are Monday – Friday, 8 am – 11 pm and Saturday and Sunday from 9 pm – 10 pm.
- Street shoes are not to be worn in the dance studios.
- No food, beverages, or gum are allowed in the studio. Water is permitted only in sealed containers.
- Outside groups are not allowed to use the dance studios without Dance Program Coordinator and/or Department Head approval.

Equipment Use

- Sound cabinets remain locked and equipment unavailable for student use. Students should bring their own audio player/speakers.
- An ice machine and individual ice packs are located outside of Studio A. Ice is to be used for injuries only.

Dressing Room and Lockers

- Male and female dressing rooms are located on the 2nd floor of Gordon Wilson Hall. Students are to use these rooms when changing clothes. Changing clothes in the hallways, studios, or lobby is strictly prohibited.
- Lockers are also located on the 2nd floor for student use.
- Food or open beverage containers should not be left in the dressing rooms or hallway. This is a shared and public space, and therefore should be kept neat and clean out of respect for peers.
- Do not leave valuables lying in the open. The Department of Theatre & Dance is not responsible for lost, stolen, or damaged items left unattended in the building.
- All belongings must be removed from dressing rooms and lockers at the conclusion of each semester. All remaining items will be discarded.

Bulletin Boards

Several bulletin boards are located outside of Dance Studio A and include information regarding Dance Program policies and announcements, Dance Company, student showcases, guest artists, master classes, auditions, intensives, student organizations, and studio scheduling. Students are required to check these boards daily. Students must obtain approval from the Dance Program Coordinator before posting to any of these boards.

Students should check the boards a minimum of twice daily. It is the students' responsibility to keep track of posted meetings, rehearsals, and other programmatic commitments. All dance students should maintain a personal daily calendar in which to record these commitments.

Work Ethic

The Dance Program is committed to developing artists and scholars who give their best in every endeavor. Students are expected to demonstrate a high level of professionalism at all times. Students should maintain a positive attitude, demonstrate a strong work ethic, practice outside of class, and adhere to deadlines. Students should strive to promote the discipline of dance, the Dance Program, and themselves with professionalism and respect. It is expected that students will take this responsibility seriously and demonstrate a strong commitment to reach his/her full artistic potential. Students are encouraged to discuss with a faculty member or advisor any concerns they may have.

Cell phones are not permitted in the dance studios during class. They should be turned off or silenced in the dressing rooms and hallways adjacent to the studios. Students are not to video record any portion of dance classes or rehearsals without prior consent of the instructor/choreographer.

Communication

Students should demonstrate professional communication (verbal and written) with faculty, guest artists, and student choreographers. Emails should be formal in composition, including a proper salutation and closing and correct grammar.

Social Media

Students should maintain a professional and respectful presence on social media, particularly when referencing or representing the university, Dance Program, and/or WKU Dance Company. Students should not post any class/rehearsal/backstage photos on social media without the consent of the dance faculty. With respect to copyright laws, videos of rehearsals and performances should not be posted on social media without the consent of the Dance Program Coordinator and the choreographer.

Academic Integrity, Plagiarism, and Writing Guidelines

Academic Integrity

Students are expected to maintain academic integrity in all university coursework and research and creative activity. Students should review the university's policy on academic misconduct and dishonesty, outlined in the [WKU Student Handbook](#).

Plagiarism

The following is taken from WKU's Process for Academic Dishonesty:

To represent written work taken from another source as one's own is plagiarism. Plagiarism is a serious act. The academic work of a student must be his/her own. One must give any author credit for source material borrowed from him/her. To lift content directly from a source without giving credit is a flagrant act. To present a borrowed passage without reference to the source after having changed a few words is also plagiarism.

Plagiarism in any dance class will be reported to the university and will result in a failing grade for the assignment or for the course, to be determined by the individual instructor.

Writing Guidelines

Students are to use the Chicago Manual of Style method when writing in the discipline. Students can refer to the [WKU Writing Center](#) or the [Purdue OWL](#) for guidance.

AUDITION AND APPLICATION

Admittance into the B.A. in Dance degree program is a two-tiered process. Students must first attend a dance placement audition. Then, upon the completion of two semesters, students may be eligible to apply for full admittance into the degree program. Students pursuing the dance minor do not need to audition; however, a placement class must be scheduled prior to enrollment in a 100 level or higher dance technique course.

Audition Placement Process

- In addition to the standard WKU admissions process, incoming students (including transfer students) wishing to major in dance must also participate in the Department of Theatre & Dance initial dance placement audition process, after which they will be enrolled as “seeking admission” into the B.A. in Dance degree program.
- These auditions for course placement will be held every semester. Prospective students must attend one of the audition days or submit a video audition.
- Following the audition, the Dance Program Coordinator will send the student a copy of his/her technique assessment and course placement. The student may then be enrolled as “seeking admission” into the B.A. in Dance degree program.
- Initial placement is generally based upon the following:
 - Students with no prior dance training will be placed in Foundations of Dance Technique.
 - Students with minimal dance training may be placed a level 1 technique.
 - Students with comprehensive training may be placed in level 2 or higher technique classes.
 - In all instances, level placement is contingent upon evaluation by the dance faculty.
- Further developmental assessments of “seeking admission” students will be made by the dance faculty during the first two semesters.

Application Procedure

- A student may apply for full admittance into the B.A. in Dance degree program after the completion of two semesters (transfer students must complete at least 15 hours at WKU). **Students must meet the following minimum requirements before applying:**
 - A minimum overall grade point average of 2.5
 - Completion of 8 hours of dance technique
 - Student must have taken or currently be enrolled in a 300-level dance technique course.
 - Demonstrate proficient talent, commitment, and a reasonable likelihood of achieving the technique level requirements of the degree program.
- Following faculty review of application for the B.A. in Dance degree program, letters of acceptance or non-acceptance will be sent to the students. Students can re-apply once after non-acceptance.
- **Students must apply for full admittance by their 4th semester and be accepted by the completion of their 5th semester.** Transfer students must apply and be accepted prior to completing 30 credit hours at WKU. *Students enrolled prior to Fall 2016 must apply for full admittance by the beginning of their 7th semester.*
- Students denied admission into the B.A. in Dance degree program may appeal that decision by submitting a written appeal to the Department Head. The Department Head will meet with the dance faculty to discuss the appeal.
- Once admitted to the B.A. in Dance degree program, the student will be regularly assessed by dance faculty to ensure that the student is successfully progressing towards graduation.

Audition Day Information

The initial dance audition will consist of an information session with the dance faculty/Admissions representative, followed by a complete ballet technique class, separate jazz and modern dance portions, and an optional tap combination. Dance faculty will teach all segments.

Students may then present an optional 90 second self-choreographed solo (in any dance genre/style). The solo is not required and does not impact a student's placement into the program; however, this may be an opportunity for a student to showcase any other form of dance in which he/she is trained and allows faculty to gain further insight into a student's candidacy. Participation in this portion of the audition is mandatory for consideration of the Potter College Creative Arts Scholarship or a Jerry E. Baker Dance Scholarship. Students should bring with them to the audition the following items:

1) **Resume:**

Bring a resume that includes academic experience/accomplishments and dance training, performance, and accomplishments.

2) **Narrative:**

Bring a typed narrative (maximum of one page in length) in which the prospective student describes previous dance experience and identifies and discusses future goals.

3) **Recent Photographs:**

Bring a recent photograph, professional or informal, that shows the prospective student in a full body dance pose along with a recent headshot, professional or informal.

Sample Audition Day:

8:45 a.m.	Check-in
9:00 – 10:00 a.m.	Information Session with Dance Faculty/Admissions Representative
10:15 – 11:15 a.m.	Ballet Technique Class (optional pointe segment)

Those who cannot attend an audition must submit a video audition following the appropriate guidelines. While audition by video is an option, it is strongly encouraged that prospective students audition in person. For inquiries about the audition

process, contact Dance Program Coordinator Amanda Clark at (270)745-2956 or amanda.clark@wku.edu.

Jerry E. Baker Dance Scholarship

The Dance Program at Western Kentucky University is very fortunate to receive significant ongoing scholarship support from the Jerry E. Baker Foundation. These scholarships are awarded to both current students and incoming students. Mr. Baker was a devoted patron of the arts. Our program is dedicated to providing our students with the training and experiences they need to ensure the arts continue to flourish in Kentucky and beyond. This funding from the Baker Foundation will help to recruit and retain diverse students who are passionate about the arts, but who might not otherwise be able to afford college. It will also allow us to support, encourage, and recognize outstanding students within the Dance Program.

Below are the guiding principles and annual goals for the Dance Program when distributing scholarship funds from the Jerry E. Baker Foundation.

Guiding Principles:

- The fund will be used to positively affect as many students in the program as possible.
- The process for application and distribution of this fund will be as equitable, inclusive, and transparent as possible.
- Students from underrepresented minorities will be prioritized for support when possible. Students who are entirely self-supporting or from low income families will be prioritized for support when possible.
- The fund will be used to positively benefit all aspects of the Dance Program.

Baker Dance Scholarship Types:

Recruitment Scholarships

- Typically distributed in April and May to incoming freshmen, based on audition.
- Intended only for use during the student's first year. Subsequently, students may apply for the Annual Jerry E. Baker scholarship or other funds.
- Awards will be made with the intention of ensuring the Dance Program becomes home to a very diverse, talented, intelligent, and capable group of students who intend to pursue the BA in Dance.
- The selection process will be overseen by the Dance Program Coordinator in consultation with the Dance Program faculty involved in the recruiting process that year.

Retention Scholarships

- **Annual Jerry E. Baker Scholarships** given every May at the Department of Theatre & Dance Banquet.
 - Applications will be made available in February and funds awarded in April or May.
 - The awards are typically for distribution in the following academic year, although awards to seniors will also be possible.
 - The Department of Theatre & Dance faculty will operate as a committee of the whole in deciding how to award these funds.
 - These may be awarded based on need, merit, or both.
 - Academic performance, work ethic, and positive contribution to the culture of the Dance Program/Department may be taken into consideration for this scholarship.
- **Jerry E. Baker Completion Grants** awarded throughout the year.
 - Primarily intended for seniors within one or two semesters of graduation who we believe to be at risk of dropping out due to lack of funds.
 - Awarded by the department head throughout the year, with the agreement of at least two dance faculty members.
 - Meant to augment the student's funding after all other options have been explored.
 - Typically, a one-time scholarship of \$1000 to \$3000.

Student Travel Scholarships

- Funds supporting student travel, including: study abroad & study away, conferences and research presentations, support for group travel to see regional/national performances
- Students will apply through either the faculty member leading the travel or their Program Coordinator. Faculty and Program Coordinators will forward the students application with their endorsement to the Department Head. These funds may be distributed throughout the year, as appropriate, based on the following principles:
 - a. In general, students should always have to pay at least some portion of the cost of travel.
 - b. Students who have not yet traveled beyond the region and/or have financial need will be prioritized for these funds.

The Potter College Creative Arts Scholarship

The Potter College Creative Arts Scholarship is a competitive award, based on the requirements of the department in which you apply. Award amounts range between 1,000 to \$9,000 per year and are renewable for four years (8 semesters total). High school seniors are invited to apply if they are planning to major in one of these degrees: Dance, Theatre, Performing Arts, Music, Art, Creative Writing, and Film will be eligible to apply. Those auditioning for placement into the B.A. in Dance program may also apply for the Potter College Creative Arts Scholarship.

Begin that process by going to the [Theatre & Dance Scholarships for First-Time Students](https://www.wku.edu/theatre-and-dance/scholarships.php) (<https://www.wku.edu/theatre-and-dance/scholarships.php>). Keep in mind that while your audition for the dance program may also serve as your audition for this scholarship, extra steps are required in order to apply for the scholarship, and stringent deadlines for scholarship application materials are enforced. Placement into the Dance Program and awarding of scholarships are two separate decisions and not contingent upon one another.

CURRICULUM

The **Bachelor of Arts in Dance** is designed to provide a solid foundation in the discipline of dance. A minor (or second major) in another discipline is required. *(45 credit hour program - Must achieve at least level 4 in a selected dance genre and level 3 in a second genre)*

- **A candidate for the baccalaureate degree must complete a minimum of 120 unduplicated undergraduate semester hours.**

The **Dance Minor** provides students who have an interest in dance but do not want a Bachelor's degree with the opportunity to continue their studies in the area of dance. *(26 credit hour program - Must achieve at least level 3 in a selected dance genre)*

Colonnade Program

The following is the WKU published description of the Colonnade Program:

The Colonnade Program is the core academic program at WKU. These general education requirements are an integral part of the undergraduate curriculum that both complement and support the student's preparation in their specific field... Courses in the Colonnade Program teach students to think critically, solve problems, and communicate effectively. Through these courses, students are encouraged to explore the connections among different areas of study in order to understand their roles as students and citizens. In short, the Colonnade Program is intended to promote intellectual curiosity and to instill a love of learning.

All dance students are required to follow this broad base of study which includes knowledge of the arts, the humanities, and the natural and social sciences as a basis for informing and shaping their career and life goals. WKU's mission is to prepare students to be productive, engaged leaders in a global society. A candidate for the baccalaureate degree must complete a minimum of 120 unduplicated undergraduate semester hours. The Colonnade Program typically constitutes 39 credit hours of these required hours.

Dance Core

The dance degree requires students to follow a large common core of courses, which have been carefully structured to provide students with the foundation needed to become artists, educators, and performers. Additionally, all dancers study ballet, jazz, and modern dance technique to round out their dance education. Students also have the opportunity to study tap, pointe, partnering, and theatre dance.

Honors Sections

Honors sections are available for most 200 through 400-level dance technique courses. Enrollment in an honor section of a technique course includes higher expectations in movement assignments, deeper research and discussion, and/or opportunities to see professional dance performances. Honors sections are also offered for selected lecture/theory courses within the dance curriculum. Students may speak to individual professors about honors augmentation of a course when an honors section is not offered.

ADVISING AND ASSESSMENT

Curricular Advising

- Every semester, each student meets with his/her advisor for a one-on-one appointment during the weeks designated for student advisement. Prior to meeting, dance course schedules and specific departmental information are made available to the student. The student can obtain a complete college course schedule and pre-registration information from the Office of the Registrar or via the WKU website. Academic advising sessions serve as a formal opportunity to discuss any concerns the student may have; or any concerns the department may have regarding the student's progress technically, creatively, and/or academically. Students should regularly review their ICAP audit (available through Topnet) to ensure appropriate progress toward graduation requirements.
- Student assessment forms for students pursuing the B.A. in Dance degree are completed by the dance faculty during the 1st, 2nd, 4th, and 6th semesters. During the 1st and 4th semesters, the faculty advisor will review the completed form with the student during the academic advising appointment. During the 2nd and 6th semesters, students will meet with the full dance faculty to review and discuss the student's assessment and career goals to ensure the student is progressing appropriately.
- Dance minors must also schedule an academic advising appointment with a dance faculty advisor each semester.
- Conferences with individual students and full dance faculty will be scheduled as necessary to discuss overall progress and/or concerns.
- Specialized records, such as advising checklists and progress assessment forms, are kept by the student's advisor in the student's portfolio.
- ***Please note: The institution does not award credit for work completed in private studio settings.***
- Students who are not required to take a specific dance class may still enroll in that class if it is the appropriate level and there is adequate space in the class.
- The determination of level for each dance major/minor is made by the appropriate dance faculty member(s) and communicated to the student before advising each semester.
- Students pursuing a B.A. in Dance must also participate in the Department of Theatre & Dance Jury/Portfolio Review (JPR) process. This process is outlined within the Department of Theatre & Dance JPR Handbook, available online at https://www.wku.edu/theatre-and-dance/schedules_and_forms/departmental-forms.php.
- Students pursuing a 2nd major must also meet each semester with a faculty advisor in that discipline.

Jury/Portfolio Review (JPR)

The Department of Theatre & Dance Portfolio Review Process (JPR) provides an important opportunity for the Theatre & Dance faculty to periodically review individual student's overall growth and development as they progress through our programs, to provide constructive, individualized criticism aimed at maximizing each student's full potential for success after graduation, and to assess the overall effectiveness of our programs. *All students seeking a major in the Department of Theatre & Dance are required to participate in this portfolio review process.*

Mission Statement and Purpose of Jury/Portfolio Review

The WKU Department of Theatre & Dance Jury/Portfolio Review process (JPR) serves as a means to:

- Provide the department faculty regular opportunities to assess a student's potential for success in the B.A. program and after graduation.
- Provide regular opportunities for students to practice presenting themselves in a professional manner to the assembled faculty, and to address issues related to their educational goals, future development, and long-term career plans.
- Assess the outcomes and effectiveness of the WKU Department of Theatre & Dance B.F.A. Performing Arts degree.

JPR Requirements

B.A. in Dance students are required to participate in the following developmental JPR sessions:

- Intake Interview
- Retention and Progress check Jury (4th semester)
- Exit Interview

There are three components to every Jury:

- Preparation and paperwork
- Presentation
- Feedback

Please see the B.A. Theatre/Dance JPR Handbook located on the Department of Theatre & Dance website for full details and requirements.

Departmental Probation Policy

Except in extraordinary circumstances, any of the following will result in a B.A. in Dance student being placed on departmental probation:

- Failing to attend all or part of his/her required JPR.
- Failing to attend all or part of his/her required B.A. in Dance Assessment Conference
- Failing to maintain a cumulative (across all semesters, including all classes) GPA of 2.5 or better.
- Receiving a rating of “Unsatisfactory” for a JPR.

The first time one of the above occurs, a student will be placed on **preliminary probation**. A student on preliminary ***probation may only perform in or choreograph for a production with official permission from his/her advisor***. The goal is for students to work with their advisors in order to address whatever issues caused their probationary status, and to only take on production work when their advisor is convinced that a) it will not negatively impact their overall performance and b) they have the necessary work ethic and maturity to successfully complete the assignment along with their other curricular commitments. Students may also be required to meet with the faculty during the semester and/or present a mid-semester JPR in order to fulfill the terms of their probation. Failure to fulfill any requirements may result in a second semester on preliminary probation or, if the faculty deems it appropriate, full probation (see below).

If a student is placed on probation a second time, they will be placed on **full probation**. This means that they are automatically barred from doing any production work (including performance) beyond what is required to complete their Prod or choreography class assignment (if applicable) in their probation semester. This means ***students cannot be cast in any shows that semester, and roles they have already been assigned will be recast. Similarly, choreographers will be replaced on any shows to which they have previously been committed***. Students may also be required to meet with the faculty during the semester and/or present a mid-semester JPR in order to fulfill the terms of their probation. Failure to fulfill any requirements may result in a second semester on full probation. Please be aware that probation semesters do not need to be consecutive; once a student has been on preliminary probation once, barring extraordinary circumstances, a second probationary offence will result in full probation.

Students who commit further probationary offences after spending a semester on full probation may be **dropped from the B.A.** A student who has failed to meet the retention standards of the B.A. program may be granted permission to reapply by petitioning the department faculty.

PERFORMANCE

The Dance Program offers a variety of performance and choreographic opportunities for students. The following performance opportunities are open to all students enrolled in at least one dance class:

Informal Student Showcases

- ***Last Chance to Dance***, fall and spring - Russell Miller Theatre, Fine Arts Center
 - Presentation of Choreography class projects and other student works, both completed and works in progress
- ***Dance Class Showcase***, fall and spring - Gordon Wilson Hall, Dance Studio A
 - Presentation of class combinations, phrase work, and projects

The Dance Project

The Dance Project is an adjudicated, formal student-choreographed dance concert held in the Gordon Wilson Lab Theatre. Participation gives students the opportunity to exercise their choreographic voice, work with their peers, and participate in an adjudicated process to produce a formal dance concert. To aid the student's development as a choreographer, the student selects and works closely with a faculty mentor throughout the rehearsal process.

To qualify for participation as a choreographer in *The Dance Project*, students must have successfully completed or be enrolled in Choreography II. Exceptions may be made with faculty approval.

Students who attend *The Dance Project* audition and are enrolled in a minimum of one dance technique class both fall and spring semester are eligible to perform in *The Dance Project*.

Adjudication Process:

At the beginning of fall semester, student choreographers submit a choreography abstract to selected Faculty Mentor and Faculty Project Advisor for approval. Student choreographers direct and organize an audition, cast dancers, and conduct rehearsals in preparation for two faculty adjudicated showings (fall semester) and subsequent performances (the ensuing spring semester). Participation in the final performances of *The Dance Project* is at the discretion of the faculty.

Adjudication I (studio showing)

Students present choreographic work-in-progress to a panel of faculty judges.

Purpose:

Student choreographers receive guidance, suggested revisions, and feedback from faculty to aid in the successful completion of choreographic work. The work-in-progress must show sufficient evidence it will be performance ready in order to be eligible for the second adjudication.

Adjudication II (studio showing): Students present completed choreographic work for a panel of faculty judges.

Purpose: Students receive additional feedback/guidance from faculty.
Faculty select choreographic work to be performed in *The Dance Project*, spring semester*.

**Choreographic work not selected for The Dance Project may be eligible for inclusion in the informal student dance concert Last Chance to Dance. Inclusion in Last Chance to Dance is at the discretion of the Dance Program Coordinator.*

WKU Dance Company

The Western Kentucky University Dance Company is the resident dance company of the WKU Department of Theatre & Dance. The company performs diverse choreography by faculty and guest artists in local to international venues. Choreography encompasses ballet, jazz, modern, tap and world dance forms. The company presents two full-length concerts each year and typically performs annually with the WKU Symphony as well as various community events and national festivals. The WKU Dance Company follows the mission of the WKU Dance Program and strives to create "Thinking Artists," individuals who work to achieve their highest potential as artists, technicians, and scholars. The company aims to prepare the dance major for the professional world while also educating the community and region through a variety of concert and outreach performances.

Each fall and spring, the Dance Program holds a mass audition for the WKU Dance Company. All dance majors and minors are strongly encouraged to audition for the dance company. Members of the WKU Dance Company are required to register for DANC 300: Dance Company (1 cr hr).

Each year the WKU Dance Company performs the following mainstage faculty and guest artist choreographed dance concerts:

- ***WinterDance***, fall – Van Meter Auditorium
- ***Evening of Dance***, spring – Russell Miller Theatre, FAC

Other dance company opportunities may include:

- American College Dance Association (ACDA) Conference
- Tennessee Dance Festival
- WKU Symphony Collaborations
- Professional performance and choreographic work regionally and nationally, in collaboration with dance faculty
- Workshops and teaching opportunities on-campus and with local studios and schools

MASTER CLASSES AND AUDITIONS

Guest Artist Choreographic Residencies

Choreographic residencies with guest artists are offered at least once per year. These residencies are a high priority for the education of each student. Guest artists of prominence who have set their work on WKU student dancers include Melanie George, Juan Sanchez Enrique, Robert McKee, Jon Lehrer, Matthew Farmer, Andrea Dawn Shelley, Melissa Lowe-Hancock, Gail Gilbert, Christopher Morgan, Barbea Williams, James Clouser, Carlos dos Santos Jr, Cornelius Carter, Karen Callaway Williams, and Victor Alexander. **The guest artist auditions and classes are mandatory for WKU Dance Company members.**

Gotta Dance Fridays

Master class and workshop opportunities will be offered on select Fridays throughout each semester. Classes feature a range of dance styles and topics instructed by local and regional guest artists. These classes are typically free for all students within the Department of Theatre & Dance.

STUDY ABROAD / AWAY

The Dance Program is committed to assisting students in discovering supplemental training and educational opportunities, including study abroad and study away. The university has an excellent study abroad office that can help students locate and/or develop appropriate study abroad/away programs. The Dance Program offers a Dance in NYC program designed to provide students with an enriched opportunity to experience dance technique and choreography from a historical and cultural perspective. Students are immersed in the New York City dance scene by participating in dance technique classes at professional studios, attending a variety of professional dance performances, and touring significant venues that provide creative inspiration to historical and contemporary choreography.

RESEARCH

Independent Study

The Dance Program provides and supports various opportunities for research in dance and related topics. Students may elect to enroll in an independent study or practicum to further explore focused areas of dance. Under the supervision of a faculty advisor, students may receive credit for research or practical projects that will provide further knowledge and/or experience in areas such as dance history, pedagogy, or choreography. While this coursework is not required within the B.A. in Dance or Dance Minor degree programs, the credit hours would count toward the student's overall graduation requirements.

FUSE Grants

Additionally, students have the opportunity to seek funding for their research and creative activity through the Office of Research and Creative Activity. One such grant is the Faculty and Undergraduate Student Engagement (FUSE) Grant, which provides financial support for students to conduct research, present creative activity, and travel to present at conferences/festivals. Students are encouraged to pursue this grant, and others, to support their growth and development as artists and scholars.

Past recipients within the Dance Program have conducted research in New York City and secured funding to perform/present choreography in London, Israel, New York City, St. Louis, and Nashville.

More information on FUSE grants can be found at <https://www.wku.edu/research/fuse.php>.

CE/T Guidelines for Honors in the Dance Major

Dance majors wishing to graduate with Honors in the Major must engage in a Capstone Experience/Thesis (CE/T) project as outlined within the Honors College guidelines. CE/T projects for dance majors may be based in dance history, pedagogy, theory, performance, or choreography. Students may choose to complete either a 3 credit hour or a 6 credit hour project and must follow all CE/T guidelines as published in the Honors College CE/T Handbook as well as the following Dance Program guidelines. *Visit the WKU Honors College website for complete information on the CE/T process, forms, and resources.*

3 Credit Hour CE/T

The student will work closely with his/her faculty advisor throughout the junior year to develop an appropriate thesis. Examples of this type of project include, but are not limited to, the following:

- Presentation of original choreography (4-6 minutes) with a 15+ page written component
- Restage a significant work of choreography with a 15+ page written thesis
- Written thesis based on research in dance theory, pedagogy, or history (25+ page)

6 Credit Hour CE/T

Six credit hour projects should consist of a significant increase in research and depth. The student will work closely with his/her faculty advisor to develop an appropriate project.

Examples of this type of project include, but are not limited to, the following:

- Presentation of original choreography (8+ minutes) with a 25+ page written component
- Presentation of a full concert of original choreography with a written component
- Written thesis based on research in dance theory, pedagogy, or history (40+ page)

Students must follow the timelines and procedures listed in the CE/T Handbook published on the WKU Honors College website (https://www.wku.edu/honors/academics/cet/cet_handbook.pdf).

During the student's first and second years, he or she should

- Take interesting and challenging courses.
- Build relationships with faculty members and talk with them about research opportunities.
- Keep a list of ideas and topics of interest.
- Use term papers, class projects, and Honors Colloquia to explore possible CE/T topics.
- Attend a CE/T defense.

Upon completion of the defense, students must submit a final draft of the written thesis and DVD of the performance (if applicable) to his or her faculty advisor to be archived within the Dance Program. This is in addition to the draft(s) that are required by the Honors College.

STUDENT DANCE ORGANIZATIONS

The WKU Dance Program sponsors two university registered student organizations committed to the art and education of dance.

National Dance Education Organization (NDEO) – WKU Student Chapter

The mission of our dance organization is to enrich the lives of our members and the surrounding community through the art of dance. We strive to increase awareness of dance through community engagement and various performances. Our organization enables students to enhance their dance educations by creating opportunities for further dance study, research, and performance on a global scale.

The NDEO WKU Student Chapter works to provide dance opportunities to members of its chapter and the WKU and Bowling Green communities. Each semester, the chapter hosts multiple educational activities and fundraising events both on and off campus to raise awareness of the art of dance. As a member, students gain valuable leadership experience while developing their own professional skills. The chapter offers a unique opportunity for members to enhance their skills in teaching and choreographing, while also collaborating with others and advocating for the art of dance. Any student currently enrolled in at least one dance class through the WKU Department of Theatre & Dance is eligible to join the NDEO WKU Student Chapter.

National Honor Society for Dance Arts (NHSDA) – WKU Student Chapter

The mission of the NHSDA WKU Student Chapter is to recognize outstanding artistic merit, leadership, and academic achievement among the most diligent and dedicated members of the NDEO WKU Student Chapter. We aim to foster a scholarly environment in which students strive to achieve excellence in their own artistic and intellectual development by encouraging active leadership, communication, and research in these areas.

The NHSDA WKU Student Chapter provides opportunities for students to broaden and augment their educations in dance. The chapter hosts events which seek to raise awareness of dance as an art form as well as a profession. Members enhance their educations in dance by participating in various chapter sponsored enrichment events such as the All-Arts Improvisation Jam and the Resumé and Audition Etiquette Workshop, thus gaining a well-rounded appreciation and knowledge of the art of dance.

Any student who is a member of the NDEO WKU Student Chapter tracks points for their achievements and participation in various dance-related events based on the official NHSDA point rubric. Students earn points from participation in activities such as technique classes, performances, and outside research endeavors. Once a student earns 45 points or more, he or she will be inducted into the National Honor Society for Dance Arts. If the inducted student maintains a 3.5 or higher dance GPA, completes a written essay assignment, and receives an above average character reference from the dance faculty, he or she will have the opportunity to graduate with honors.
