Program restrictions are: The program requires students to complete an application to gain admission. Students will initially be registered at WKU as Sport Management-Prep majors. While in this status, students must earn a minimum of 2.25 GPA and complete 5 prerequisite courses with a grade of "C" or better (Comm 145, ECON 202, MGT 210, MKT 220, & SPM 200). Upon completion of these requirements, students complete an application to gain full admission to the program. Until admission is given, prep students are not permitted to register for any of the SPM 400 level courses; these courses are reserved for Sport Management majors only.

There is no required minor for this program. However, completing a minor or certificate is encouraged; students often need to take additional hours in order to earn the 120 hours required for graduation.
