

## COMMERCIAL PERMITS

Commercial Parking Permits are available for vendors and contractors under contract with the University.

### Annual Commercial Hangtag Permits (CM)

- Valid in all non-reserved spaces, in all zones except gated lots
- Valid 30 minutes maximum in University Service Vehicle Spaces (WS)
- Firms are eligible for two annual permits

### Monthly or Daily Contractor Dash Permit

- Parking and Transportation Services will designate parking according to availability
- Parking and Transportation Services will limit the number of daily or monthly permits available per project to maintain adequate parking for faculty, staff and students
- Valid 30 minutes maximum in University Service Vehicle Spaces (WS)

### Daily Vendor Dash Permit

- Valid in all non-reserved spaces, in all zones except gated lots
- Valid 30 minutes maximum in University Service Vehicle Spaces (WS)

### Capital Project Parking

- Perimeter fence boundaries coordinated between Parking and Transportation Services and WKU project manager
- Parking within a perimeter fence does not require a parking permit. Activity within the perimeter fence is the responsibility of the construction firm
- Parking required by contractor outside of fence may be addressed by van pooling from an off-campus site or monthly/daily dash permits
- Any additional parking accommodations must be coordinated with Parking and Transportation Services and WKU project manager

## GENERAL INFORMATION

A permit is required to park on Main and South Campus. Parking permits are hangtags that may be placed in any vehicle driven by permit owner.

The permit you purchase determines where you can park. Information about where the permit is honored is found on the back.

Permits must be purchased from Parking and Transportation Services only. Permits are only valid for registered owner.

Lots may close for special events and/or maintenance. Notifications will be sent by WKU email, Facebook, Twitter, and posted on our website.

Faculty/Staff lots are enforced weekdays 7:30AM - 4:30PM, including summer and intersession breaks.

Disability spaces, reserved spaces, yellow zones, fire lanes, and sidewalks are enforced 24/7.

Parking spaces are clearly marked with lines or concrete stops.

Appeals must be submitted within 7 business days upon receiving citation.

Parking meters are available throughout campus for short-term parking. Parking length and enforcement may vary by location. Check the sticker on the front of the meter for details.

Public Parking (Pay Lots) are located on Regents Drive, Chestnut Street North, and Diddle South Visitor Lots.

Daily reserved parking spaces are available throughout campus using ParkMobile at [wku.pmreserve.com](http://wku.pmreserve.com).

At night, call WKU Police Department at 270-745-3333 for a safety escort on campus. Emergency call boxes are placed throughout campus.

### TOPPER TRANSIT SERVICE

Topper Transit is free and open to the public.

- Bus stops are indicated with green buses on the Parking Map.
- Full service during the Academic Year includes transportation between Main Campus, South Campus, and off-campus.
- Curb to curb para-transit service is available for disabled students, faculty and staff registered with PTS. Contact the office at 270-745-2361 for more information.
- For complete route descriptions, schedules and NEXTbus arrival information, visit [www.wku.edu/transportation](http://www.wku.edu/transportation)
- **Service changes are announced through campus e-mail, Facebook, Twitter and NextBus. Follow PTS for up-to-date service information.**
