Proposal to Revise Course Prerequisites/Co-requisites
(Consent Item)**

Contact Person: Sheila Flener, Sheila.flener@wku.edu, 745-4105

1. Identification of course:

- 1.1 Course prefix and number: IDFM 201
- 1.2 Course title: Interior Design Studio I

2. Current prerequisites/co-requisites:

Pre-requisites: None
Co-requisites: IDFM 120, and 243

3. Proposed prerequisites/co-requisites:

Prerequisites: None
Co-requisites: IDFM 243

4. Rationale for the revision of prerequisites/co-requisites: The content of IDFM 120 (Visual Design I) which covers sketching and ideation is not used in IDFM 201 (Interior Design Studio I). The content of Interior Design Studio I covers mechanical drafting techniques. The pre-requisite/co-requisite was previously used for sequencing in the major. Currently with students coming in with 15 or more credit hours we are having to lift holds to allow students to matriculate through the system in a timely fashion.

5. Effect on completion of major/minor sequence: None

6. Proposed term for implementation: Fall 2019

2. Current prerequisites:

Prerequisites: IDFM 120

3. Proposed prerequisites:

Prerequisites: None

- 4. Rationale for the revision of prerequisites:** The content of IDFM 221 (Visual Design II) does not rely on the content of IDFM 120 (Visual I) for students to be successful. The pre-requisite/co-requisite was previously used for sequencing in the major. Currently with students coming in with 15 or more credit hours, we are having to lift holds to allow students to matriculate through the system in a timely fashion.

1.3 270-745-2334

Section 2: Program Information

2.1 Current Program reference number: 413

2.2 Current Program title: Marketing Minor

2.3 Current total number of credits required in the program: 24 / 27

Section 3: Proposed program revisions and rationales

3.1 Change MATH 116 to MATH 123 in the undergraduate course catalog description of the Marketing Minor. MATH 123 has replaced MATH 116 at the college level. Therefore, the minor description in the undergraduate course catalog needs to be updated to be in compliance that change.

3.2 Add “At least 6 hours must be unduplicated from courses counted in the major” to the Marketing Minor description in the undergraduate course catalog so that it is consistent with other materials that define the requirements for the Marketing Minor.

Section 7: Required Appendices: Current & proposed program descriptions:

7.1 Current Program Description

Minor in Marketing Reference Number: 413 Minimum Hours for Minor: 24 / 27 The Marketing minor provides an attractive complement to many traditional liberal arts majors. Combinations of marketing with foreign language, agriculture, advertising, the performing arts, sports, health care and hospitality services, fashion retailing and others would broaden and strengthen career options. Marketing has a role in any occupational field that involves consumers and the choices which they make. The marketing minor is also appropriate for business majors who wish to increase their understanding of marketing. Students who are business majors must take 15 hours of marketing courses beyond MKT 220. The minor requires 24 to 27 semester hours. MATH ~~116~~ and SOCL 100 or PSY 100/PSYS 100 are recommended as background courses before beginning the minor though they are not a part of the minor program.

7.2 Proposed Program Description: (On a separate pages):

 - C. The commercial Country explosion
- V. Country music navigates genre (1990s and 2000s)
 - A. Alternative country
 - B. Redefining Country
 - C. Breaking borders

3.2 Learning Outcomes:

Through this course students should be able to:

- recognize different musical styles associated with Country music
- understand the regional impact of these styles
- appreciate the economic and social status of the time
- understand the common instruments used in Country music
- understand common vocal and instrumental techniques
- appreciate the importance of specific artists/performers

Colonnade Connections outcomes will also be listed upon approval:

Through this course students should be able to:

- analyze issues on local and global scales
- examine the local and global interrelationships of one or more issues
- evaluate the consequences of decision-making on local and global scales

3.3 Assessment/Evaluation: Students will be evaluated with exams and written assignments.

Section 4: Rationale

- #### **4.1 Reason for developing this proposed course:** An understanding of Country music, and its genesis, is necessary for anyone wishing to understand other forms of popular music.

Country music has been influenced by numerous styles of music, and has had a profound influence on almost every popular style of music today. Since the heart of Country music, Nashville, Tenn., is a mere hour away from WKU's campus, this course will study music and people that have their origins within this region. Many legends of Country music are from Kentucky, including Bill Monroe, Loretta Lynn, Everly Brothers, Merle Travis, and Ricky Skaggs, to name a very few.

This is a new course intended to be a Colonnade offering under the Local to Global category.

4.2 Relationship to similar courses offered by other university departments/units:

- Do any other courses already being offered by other university departments/units share content with this proposed course? Yes
- Are any of the proposed pre/co-requisites for this course offered by another university department/unit? NO
- If the answer to both questions is NO, simply proceed to item 5.
- If the answer to either of those questions is YES, indicate here who in the affected departments/units was consulted, and the dates of those consultations: Folk Studies and Anthropology-Darlene Applegate, Nov. 19, 2018

Section 5: Projected Enrollments/Resources

5.1 How many students per section are expected to enroll in this proposed course? 30

5.2 How many sections of this course per academic year will be offered? 1

5.3 How many students per academic year are expected to enroll? 30

5.4 How were these projections calculated? Explain any supporting evidence/data you have for arriving at these projections. This projection is based on current enrollment for similar MUS courses.

5.5 Proposed method of staffing: Current staffing is sufficient. I currently teach MUS 322 Blues Music in Fall and Spring. I intend to replace MUS 322 Blues in the Fall with this course, teaching Blues in the Spring and Country Music in the Fall.

5.6 Instructional technology resources: Current technology resources are sufficient.

5.7 Library resources: Will this proposed course require the use of library resources (books, journals, reference materials, audio-visual materials, electronic databases, etc.)? NO

If YES, was a [Library Resources Form](#) submitted to the appropriate collection development librarian prior to consideration at the college curriculum level?

Section 6: Proposed term for implementation: next available

Section 7: Supplemental/Supporting Documentation: N/A

2. Identification of the proposed program changes: Adding GEO 386—Geography of Potent Potables: Brewing Distilling, and Winemaking as an optional course.

We have consulted with the faculty member in GEOG, who will offer this course each spring, while the HIST course will be offered each fall.

3. Detailed program description:

Current Program	Proposed Program
BDAS 300 (3): The Science of Fermentation in Brewing and Distilling	BDAS 300 (3): The Science of Fermentation in Brewing and Distilling
ENT 312 (3): Entrepreneurship	ENT 312 (3): Entrepreneurship
