

“WKU holds a special place in our hearts. After all, it’s the reason Seth moved to Bowling Green and as they say... the rest is history! The landscape was beautiful, private and couldn’t have been more perfect. And our photos are so incredible! They showcase the history of the campus and memories flawlessly of our day. Not to mention, the staff at WKU is always wonderful to work with! They answered all of my questions in a timely manner so that I could focus on other wedding details. I wouldn’t change a thing!”
