Welcome from the Greek Advisor

Welcome to Western Kentucky University! We are excited that you are interested in joining Greek Life during its 57th year at WKU.

One of the easiest ways to get involved at WKU is to explore our Greek community. WKU is an amazing campus and has so many academic and extracurricular opportunities. Our experience within the Greek community helps students adjust to university life and we hope it will do the same for you.

Your experience as a member of one of our fraternity or sorority chapters will provide a framework for achievement and strong personal development that may be applied to all aspects of your life. WKU's fraternities and sororities emphasize the personal attributes that will make you a solid, well-rounded student. Academic support, lifelong friendships, community service events, and campus leadership are just a few of the opportunities available to WKU Greeks.

Scholarship

The Greek community at WKU recognizes that scholastic achievement is of the utmost importance.

- + To participate in Recruitment, WKU requires a minimum 2.5 unweighted High School GPA and a 2.5 college GPA with 12 or more attempted hours.
- + Additionally, each fraternity and sorority has a minimum grade point requirement for pledging membership.

Greek organizations were founded on the principle of academic excellence. Thus, the academic performance of each chapter is tabulated every semester to determine overall chapter ranking.

- + The Greek average has been consistently higher than the average GPA of all university non-Greek undergraduates.

WKU's Greek community wants you to excel academically. We work to make members aware of various programs in place to help you accomplish this end.

- + Many chapters have study hall hours to assist you in time management.
- + Tutor programs are available on campus to create a productive study environment.
- + Several chapters and national/international organizations offer scholarships for initiated members

Leadership

Membership in a Greek organization provides numerous opportunities for you to take on leadership roles. Whether you choose to serve

- + your own potential chapter
- + the Greek community as a whole
- + or coordinate a chapter or community event

You can develop transferable leadership skills almost anywhere with the boundless opportunities at WKU. Each fraternity and sorority has a committee structure that allows you to be involved in many operational aspects of the organization.

Additionally, chapters provide educational programming in such areas as time management, personal development, and communication.

Greek members also participate in campus-wide leadership activities such as SGA, Ambassador programs, and the Dynamic Leadership Institute.

Friendship

One of the most enjoyable parts of joining a fraternity or sorority involves making new friends and forming bonds that will last long after college. With your fraternity brothers or sorority sisters, you will share successes, happiness and the occasional struggles. Brotherhood and sisterhood means more than wearing Greek letters, attending meetings, and going to social events. It is making friendships that will last a lifetime. It is the feeling of being a part of something larger than yourself.

During your first semester as a fraternity or sorority member, all activities are designed to orient you with your chapter's history, goals, and members while working toward initiation. Such activities include meetings, retreats, community service projects and study programs. Combined, these will help you build a strong foundation for fraternity and sorority life.

Service

Fraternities and sororities sponsor a multitude of community service projects every year. These projects impact the Bowling Green community and raise money for individual chapters' philanthropies. Due to the Greek community's strength in numbers and organizational skills, WKU's campus and the BowlingGreen community have received much aid. Last year, the WKU Greek Community raised over \$200,000 and performed over 50,000 hours of service for the WKU and Bowling Green Community.

During Greek Week, WKU Greeks hold the largest blood drive in the Kentucky/Tennessee region, collecting 1,500 pints of blood for the American Red Cross. Also during Greek Week, WKU Greeks collect canned food items for Bowling Green food banks and multiple county backpack food programs.

Interfraternity Council

The Interfraternity Council (IFC) is the governing body for WKU's 19 fraternities. The purpose of IFC is to foster cooperation among its members, provide services to the chapters, promote the fraternal system, enhance the relationship between its members and the University community, and to act as the judicial body for the actions of its members. WKU's five National Pan-Hellenic Council (NPHC) fraternities hold dual membership in both IFC and NPHC. Listed below are the national fraternities that have chapters on WKU's campus.

*These members have dual membership in the Interfraternity Council and the National Pan-Hellenic Council.

What to Wear

ORIENTATION:

At fraternity recruitment orientation, you will meet the Interfraternity Council Officers, receive information about recruitment week, and meet your recruitment counselor also known as a Rho Alpha

ROTATION ROUNDS:

On Rotation Nights you will meet the remainder of the fraternities before the Open House Round in which you can choose which fraternity houses to visit again

PREFERENCE NIGHT:

On this night you will select those fraternities that you have a serious interest in joining. You will meet the chapter members for the last time and view a formal presentation about their fraternity.

Fraternity Recruitment

To participate in Formal Recruitment, one must be a full-time, undergraduate enrolled at WKU with a minimum 2.5 unweighted high school GPA or a 2.5 college GPA with 12 or more earned hours. There will be a recruitment orientation designed to educate people about the fraternity recruitment process - this is important so you know what the week entails. There will be a \$25 fee to join a fraternity on Bid Day. For more information on fraternity recruitment, please e-mail Andrew.rash@wku.edu.

For the rotation nights of fall Formal Recruitment, recruitment groups will be used. Potential new members will be divided into groups and led to each fraternity by two members of different fraternities. These fraternity men will be known as Rho Alphas and are there to answer any questions. Between the two nights of Rotation Parties, groups will visit each fraternity chapter for 20 minutes.

The second night is an Open House round in which potential new members can visit the fraternities of their choice.

The third night is Preference Night, where potential new members can visit up to three fraternities and view a formal presentation about the fraternity. To sign up, go to www.wku.edu/wkugreeks.

Panhellenic Council

The Panhellenic Council at Western Kentucky University is the governing body of the 9 National Panhellenic Council organizations and strives to create the best possible collegiate experience for all of its members and member organizations by striving to promote positive, panhellenic women and by creating an environment of unity and fairness. The Panhellenic Council serves the Greek community by planning educational, philanthropic, academic, and other events for the community.

^These organizations hold dual membership in Panhellenic and National Pan-Hellenic Conference.

*These organizations are associate members of the Panhellenic Council

Sorority Staff Recruitment

The Recruitment Staff is made up of women from Panhellenic's Executive Council who are passionate about strengthening WKU's Greek life and welcoming new members into our community. These women work alongside Gamma Chi's as disaffiliated members of the Greek community to counsel women interested in joining Greek life. The Recruitment Staff also spends countless hours behind the scenes working to ensure that the recruitment process runs as smoothly as possible. The Recruitment Staff is secondary to your Gamma Chi's during this week and is always open to any questions or concerns during the recruitment process.

President: Sydney Schneider

1st Vice President: Alaina Scott

2nd Vice President: Breanna Creekmore

Recruitment Director: Sydney Shrewsbury

Gamma Chi Director: Anne Simpson

Treasurer: Sarah Vlahakos

Secretary: Caileigh Pryor

Gamma Chi

A Recruitment Counselor (Gamma Chi) is assigned to a group of Potential New Members (PNM) to assist during Formal Recruitment. Her job is to navigate you through recruitment week by providing information and answers to all of your questions concerning Greek life. Do not hesitate to discuss your thoughts with your Gamma Chi throughout the recruitment process.

In order to remain unbiased, Gamma Chi's disaffiliate from their chapters during the summer and rejoin their chapters on Bid Day. Your Gamma Chi's affiliation will be revealed at the end of the week. We encourage you to embrace the anonymity of your Gamma Chi to allow for a more objective experience.

What to Wear

MEET THE GREEKS

At orientation, you will meet the Recruitment Staff, receive information about recruitment week and meet your recruitment counselor aka your Gamma Chi! You'll also participate in our Values Activity, to help you further understand the things you are looking to get out of sorority life. You will not go to any sorority house, but you will have an opportunity to meet some of the sorority women at "Meet the Greeks."

What to Wear

This is a good night to wear something casual like shorts, capris, or skirts with a light weight blouse. Flats or sandals are appropriate. Something to keep you comfortable as you are walking around and meeting new people

GO GREEK

On these two nights, you will meet the nine sorority chapters participating in Formal Recruitment for 20 minutes each. The purpose of these parties is to give you a feel for Greek life and opportunities that sorority membership will present you. This is your chance to see every chapter and let them know who you are.

What to Wear

For this night comfort is key! You will be provided with a uniform t-shirt that you can pair with shorts, jeans, or a skirt and sandals or flats. No need to wear any sort of wedge or heel on this casual round.

GETTING TO KNOW YOU

You will receive your Getting to Know You schedule in the afternoon from your Gamma Chi. This day you will be spending 30 minutes with each sorority on your party list. Don't be afraid to ask questions. Remember, each sorority wants to get to know you. Just, relax, have fun, and above all, be yourself.

What to Wear

On this night you are free to wear a cute outfit of dressy shorts or a skirt with a nice blouse, or a sundress. Keep in mind that you will be walking most of this night and outside in the heat. Sandals or flats are still the best option.

What to Wear

PHILANTHROPY

You will receive your Philanthropy round schedule in the afternoon from your Gamma Chi. This day you will be spending 40 minutes with each sorority on your party list. These longer parties give you the opportunity to make friends within the sororities you visit. Begin to pay attention as to where you would feel most comfortable.

What to Wear

This is the round to begin wearing nice dresses or skirt outfits. Dressy shoes or wedges with simple jewelry are also acceptable. You want to leave a good impression as it gets closer to the end of the week.

PREFERENCE

You will receive your Preference schedule in the afternoon from your Gamma Chi. This day you could visit a maximum of two chapters, spending 50 minutes with each sorority. During these parties, think back to previous rounds and recall what you liked best about these sororities and why you would choose to join a particular group of women. These sororities invited you back because they believe you would fit in as a sister.

What to Wear

This day is more elaborate in a classy cocktail dress or fancy skirt outfit paired with heels or dress shoes and nice jewelry. It is the last time you will meet with the chapters, so you will want to look your absolute best.

National Pan-Hellenic Council

Please note that the National Pan-Hellenic Council (NPHC) organizations at WKU do not allow undergraduates to join until they have completed at least one semester of school and have proven themselves academically. Some organizations require that one full year of academics be completed before they can begin to discuss the membership intake process for their organization. The intake process varies between the fall and spring semesters depending on each NPHC organization. Greeks 101 is mandatory of all persons interested in pursuing membership in any National Pan-Hellenic Council Organization. Greeks 101 sessions include important information on the role of fraternity and sorority life at colleges and universities, leadership, hazing prevention, and time management. Participants will have the opportunity to ask questions and participate in discussion. Each NPHC organization has their own requirements for minimum standards for academics, community service and leadership. However, each group requires a minimum grade point average and an official transcript. Generally, the intake process begins with an informational meeting. Most of these informational meetings are advertised for a short period of time either by flyers or word of mouth from members. At an informational meeting, interested students are invited to learn more about a specific organization. For more information on the NPHC Membership Intake Process, please contact Amelia Kolb at (270) 745-5791.

- + For more information on NPHC Membership Intake Process, please contact Amelia Kold at (270) 745-5791.

Sorority and Fraternity Finances

+ It is important for students and parents to be as informed as possible regarding the financial obligations associated with fraternity and sorority membership.

+ Students interested in joining a Greek organization should be aware of the dues, fees, and other expenses involved and should consider these when making financial plans to attend college. During Formal Recruitment, a potential new member should ask chapter members about their chapter's financial obligations and payment options. Each organization sets their own dues, housing costs and payment schedules.

+ For men, the cost of fraternity membership varies among chapters. It is so important to familiarize yourself with the dues associated with each fraternity so you can make an educated decision, should you choose to accept a bid. During the first semester of fraternity membership, the groups that participate in Formal Recruitment range from \$385 to \$860. After the first year, you can expect to pay between \$400 and \$930.

+ For women, the first year of sorority membership will be the most expensive. There are a variety of one time expenses and fees that must be paid during the first year.

Sorority and Fraternity Finances

+ As chapters individually determine their cost to join, you will find during Formal Recruitment that some sororities are more expensive than others. It is important to ask the chapter members what the money pays for. Some chapters include you new member education materials, sorority badge, social functions, t-shirts and bags, composite pictures and much more in their fees.

+ For the first semester of sorority membership, the groups that participate in Formal Recruitment range from \$750 to \$1,300.

+ After the first semester, the cost of membership declines. After the first year, you can expect to pay between \$400 and \$850 per semester. The sororities Omega Phi Alpha and Sigma Alpha implement a different due structure than those organizations participating in Formal Recruitment. The first semester of membership in Omega Phi Alpha is \$275, and every semester thereafter, the cost of membership is \$250.

+ Information concerning dues for the NPHC organizations will be given during their recruitment events. Potential new members are highly encouraged to discuss the financial responsibility of joining a Greek Organization with their parents.

Hazing Policy

- + Hazing is strictly prohibited by Western Kentucky University and all fraternities and sororities.
- + Hazing is defined as an action or situation with or without consent that is reckless, intentional, and unintentional
- + Hazing acts include but are not limited to the following
 - * endangers the mental or physical health or safety of a student
 - * creates risk or injury
 - * causes discomfort, embarrassment, harassment or ridicule
 - * forcing someone to eat or drink against his or her will
 - * requiring personal servitude
 - * the presence or use of alcohol in any new member activity
 - * that willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition for continued membership in a chapter or colony of any sorority or fraternity
 - * paddling or striking in any manner
 - * sleep deprivation
 - * requiring exercise
 - * forcing someone to publicly wear apparel that is conspicuous and not “normally” in good taste
 - * yelling at members
 - * not permitting members to talk for extended periods of time
- + If you witness or have knowledge about improper activities occurring in the Greek community, you are encouraged to contact the Greek Affairs at 270-745-2484
